****NOTE: I have amended this paragraph because its application otherwise seems to be limited—no one would have “care and custody” of the proposed ward unless he or she had been detained or committed under ch. 51, had been confined in jail or prison, was on parole, extended supervision, or probation, or was adjudicated under ch. 971 or 980, or for a minor, was under a CHIPS order under ch. 48 or a JIPS order under ch. 938. I also changed "an existing revocable living trust" to "any existing revocable living trust" and made a like change to "a trust created for the exclusive benefit of the ward," because it is not certain that such a trust exists in all cases.

****NOTE: I did not add "or a specified portion of the ward's property," as in your proposal, because s. 54.19 (intro.), which governs this paragraph, already requires that the guardian act within the limitations of the court order, and it would be the court order, I assume, that would specify any portion of the ward's property that the guardian would be allowed to act upon.

****NOTE: Note that, as in your proposal, this provision appears to combine s. 880.19 (2) (a) and (b), stats.; with respect to s. 880.19 (2) (b), stats., it changes current law, which requires court approval, to language that specifically provides for this action without court approval; is that your intent? In addition, language in current law under s. 880.19 (2) (a) and (b), stats., includes "without regard to ch. 881"; I deleted the language "without regard to ch. 881" in this paragraph because ch. 881 does not require that the ward's possessions be invested; rather, it sets forth standards and procedures for investing—therefore, it need not be referenced here, because it does not prohibit the guardian from exercising the power to retain the ward's assets. Note, however, that I retained this language for s. 54.20 (3) (h) renumbered from s. 880.19 (4) (a)).

I am repeating this ~~NOTE~~ because the response was somewhat unclear.

****NOTE: This provision appears to be in direct conflict with s. 54.19 (2) and (4), each of which require the guardian to act with respect to the ward's property in ways that are redundant to this provision, but *without* requiring court approval. Which alternative do you prefer? Is the issue related to a dollar value on the property, i.e., property over a value of, say, \$100,000 would require court approval before the guardian may act? Or should either this provision or s. 54.19 (2) and (4) drop out?

****NOTE: Please scrutinize this provision. It was included without change in your proposal. I have amended it, so far as I can tell that it applies. The effect of this provision in current law is to place no limitations on the sale, investment, etc., of any of a ward's assets by a bank or trust company (this, I assume, is as opposed to the restrictions that guardians must abide by, such as court approval, prudent disposition, etc.) Do you want to continue this lifting of all restrictions on these actions by banks and trust companies?

****NOTE: Your proposal placed this provision under the duties, rather than the powers, of the guardian, notwithstanding the fact that current law uses the term "may apply to the court." It seemed to me that, indeed, this should be a duty; therefore, I left it in s. 54.19 (which has the effect of changing "may" to "shall") and added "any" to "claims," because it is possible that no claims were incurred against the ward before entry of the order. Have I interpreted this correctly? Please review the reference to s. 879.05 (4) and ch. 859, stats. Also, the provision refers to s. 880.215, which is not touched by your proposal; how do you want me to deal with that provision?

****NOTE: Because of sub. (3) (renumbered from s. 880.31 (3)) and sub. (6) (created as s. 54.76 (6)), the language about giving notice to the person's guardian makes no sense, and I have therefore stricken it.

****NOTE: I have consolidated s. 880.31 (4) and (5), because, under current law, s. 880.31 (4) seems to internally conflict, and because both subsections address actions that are the outcome of a hearing held for termination of a conservatorship. With respect to the internal conflict in s. 880.31 (4), it seems to me that if the applicant is not shown to be an incompetent and has requested termination of the conservatorship that the court would not then appoint a successor conservator—that appointment would, I believe, occur only if the court has determined that the applicant continues to be incapable of handling the estate. Please review my changes.

****NOTE: Under this amendment, the proposed ward's formerly unconditioned right to counsel is now conditioned. It was unclear from the language of your proposal whether the 72-hour limitation was intended to apply to all instances of a right to counsel. I applied it only to s. 54.42 (1) (a) 1. Please review. This statement is in direct conflict with language you have proposed under Subch. 3, Section One (1) (a), which I have drafted as s. 54.15 (1), and which **REQUIRES** appointment of the agent unless the appointment is not in the proposed ward's best interests. Which is your preference? If it is the latter, do you want the agent of a health care power of attorney also to be required to be appointed?

****NOTE: Please note that I have amended current law that refers to "proposed incompetent" to instead refer to "proposed ward," and have tried to make that change consistent in this draft. Is this drafting decision acceptable?

18 person him or her, and no approved nonprofit corporation may accept appointment
19 as guardian of more than 10 adult wards.

INSERT
82-19

****NOTE: This subsection is extremely confusing. Most of the confusion exists in current law. First, the word "person" is used in this subsection in three different ways: as an individual, as an entity under the definition of "person" in s. 990.01 (26), stats. (which, for all the statutes, defines "person" to include all partnerships, associations, and bodies corporate and politic) and as "guardian of the person." I think that the "person" referred to in the second sentence was intended to mean the corporation and have tried to clarify that in amending the subsection. However, that interpretation means that a nonprofit corporation is authorized to be guardian to more than 10 adult wards—is that correct? Second, your proposed change to this subsection is from "department" to "court" in the first sentence. When that change is made, I'm not exactly sure that the sentence has real meaning: it seems to say that the court may not appoint someone guardian of more than 5 adult wards unless the court wants to. Third, to add to the confusion, I don't understand what "or more" means in the first sentence—where is the line being drawn? Fourth, under s. 54.15 (5) (renumbered from s. 880.35) in this draft, DHFS may approve not just nonprofit corporations but also nonprofit and for profit entities—shouldn't they be added to the first sentence? Lastly, the subsection is written to prohibit a person (whatever that may be) from accepting appointment as a guardian if certain conditions exist—but isn't this actually a prohibition on a court from appointing such a guardian?

****NOTE: Please review to see if the language limiting review to after six months after the previous hearing or at any time under special circumstances adequately meets the memo's intent.

15 if no suitable individual is available as guardian and the department of health and
16 family services, under rules established under ch. 55, finds the corporation or entity
17 to be a suitable agency to perform such duties.

****NOTE: What would be an example of a nonprofit entity that is not organized under ch. 181, 187, or 188? In addition, please note that I did not draft proposed Subchapter 3 Section One (1) (e) and (f), paragraphs that were identical and are redundant to the language in this subsection "if no suitable individual is available as guardian."

18 SECTION 189. 880.36 (title) of the statutes is renumbered 54.52 (title).

19 SECTION 190. 880.36 (1) of the statutes is renumbered 54.52 (1) and amended
20 to read:

54.52 (1) A person may at any time bring a petition for the appointment of a standby guardian of the person or property or both estate of a minor or person found incompetent under s. 880.08 to assume the duty and authority of guardianship on the death, incapacity or resignation of the initially appointed guardian may be brought under this chapter at any time. A petition for the appointment of a standby guardian of the person or property or both of a minor to assume the duty and authority of guardianship on the incapacity, death, or debilitation and consent, of the minor's parent shall be brought under s. 48.978 an individual who is determined to be an incompetent under s. 54.10 or a minor.

54.52 (2) At any hearing conducted under this section the court may designate one or more standby guardians of the person or property estate whose appointment shall become effective immediately upon the death, incapacity, or resignation of the initially appointed guardian or during a period, as determined by the initially appointed guardian, when the initially appointed guardian is temporarily unable to fulfill his or her duties, including during an extended vacation or illness. The powers and duties of the standby guardian shall be the same as those of the initially appointed guardian. The standby guardian shall receive a copy of the court order establishing or modifying the initial guardianship, and the order designating the standby guardian. Upon assuming office, the standby guardian shall so notify the

court. Upon notification, the court shall issue new letters of guardianship that specify that the standby guardianship is permanent or that specify the time period for a limited standby guardianship.

****NOTE: Does the language "during a period, as determined by the initially appointed guardian" meet the intent of the memo?

****NOTE: Your proposal contains two provisions concerning standby guardians for minors. 1997 Wisconsin Act 334 created s. 48.978 (appointment or designation of standby

guardian of a child). Because these provisions exist in current law, I have not drafted the provisions in your proposal ~~at this time. Please review~~

11 proceedings pertaining to the property, unless the guardian of the person is also the
12 guardian of the property. A guardian of the person of an incompetent or a temporary
13 guardian of the person of an incompetent may not make a permanent protective
14 placement of the ward unless ordered by a court under s. 55.06 but may admit a ward
15 to certain residential facilities under s. 55.05 (5) or make an emergency protective

17 placement under s. 55.06 and for commitment under s. 51.20 ~~or~~ 51.45 (13).

****NOTE: I was confused about how to treat this provision; it does not appear in your proposal. Because I didn't know what else to do with it, I renumbered it s. 54.25 (1) (c), but I don't know what disposition you intend to make of it. It appears to be a hybrid of powers and limitations on powers of the guardian of the person. Also, it has parts that are redundant to other provisions. Did you intend that it be repealed?
